

**SAYAMS
SECURITY**

CAPABILITY STATEMENT

Security services across Ontario

Help stop crime before it happens.

Security guards and mobile patrols for Ontario businesses. SAYAMS helps deter unwanted activity, manage access and keep your team informed.

Insured with CAD \$5 million in liability coverage.

CORE CAPABILITIES

Security that fits your site

01 On-site security guards

Visible deterrence, access monitoring and patrols that support your staff, visitors and property.

02 Mobile patrols

Property checks, perimeter patrols and lock-up support to help spot concerns after hours.

03 Event security

Orderly entrances, smoother guest flow and clear communication with your event team.

04 Temporary coverage

Flexible support for short-term assignments, vacant properties and changing site needs.

THE SAYAMS APPROACH

Less time managing threats. More time for your business.

We take day-to-day security coordination off your plate, so you can focus on your business.

A plan that fits

Duties and hours agreed in advance.

Reports that matter

Clear activity and incident records.

Clear communication

Agreed contacts and escalation steps.
